

SUMMER SCHOOL – 2021

During the first week of the Summer Holidays, we ran a very successful Summer School for our new Year 7 pupils when nearly 60 attended.

The aim of the Summer School was to recover some of the learning lost during the Pandemic, help transition into Secondary School and:

- Encourage the pupils to build a community with fellow pupils
- Encourage them to forge relationships with staff
- Familiarise with the layout and College environment

The pupils who attended had a variety of activities and lessons, including English, Science, Maths, Drama, Food Tech, and Art. Afternoon activities included Soccer, Tennis, Badminton, Tchoukball and extra Art.

To start on 3 of the days the pupils danced to Hayling's own "Danze Fitness Hayling" with Kate Williamson and "Dance Fusion Fitness" with Laura Simms. Some talented dancers in this year group, I am sure.

Catering was provided by Tracy Davis, the Catering Manager and snacks at break and a packed lunch for everyone was funded from the Department for Education's Summer School Grant.

Every pupil who achieved 100% attendance was presented with an Amazon Voucher and also prizes for each subject were awarded at the final assembly. In the survey completed at the final assembly there was 100% support for the week's activities and some even wanted a 2-week school! Motivation and behaviour were excellent which made supervising and administering the week a pleasure.

Funding to run the Summer School was generously provided by the Department for Education and allowed us to staff and resource the curriculum and sporting activities for all of the pupils. Income and Expenditure figures are published for transparency:

Maximum amount of funding for pupils attending:	£16,059.30
Staff Costs:	£5,006.45
Catering:	£962.50
Resources:	£4,763.52
Dance Sessions:	£80.00
Cleaning & Sanitising:	£496.22
Prizes and Awards:	£650.00
Total Expenditure:	11,958.69
